

RAHAB

A MINISTRY OF HOPE

Outreach gifts

RAHAB's Outreach Teams visit strip clubs each month, entering these spaces with the permission of owners and managers to share meals, small gifts, and most importantly, hope. These simple gestures often serve as the first connection point between the women and the Outreach Team. As trust builds, many open up about their struggles, leading to powerful moments of prayer and encouragement right on the club floor.

You can give hope to women affected by trafficking!
